**20.12.2021**

Train operator  
**SNCF**

Email  
**ludowalsh007@yahoo.com**

**Walsh, Ludovic (m)**

Seat number  
**23**

- Want to change your dates of travel or seat number?

Scan the QR code or follow this link:

<https://swissplf.admin.ch/edit/9ef9d826-9f5e-4c96-bb00-a6419582d760>

- You are vaccinated against or have recovered from COVID-19 but do not have a Swiss COVID certificate or an EU digital COVID certificate.

If you do not have a Swiss COVID certificate or an EU digital COVID certificate, you can apply for a Swiss COVID certificate. You can find more information on the [COVID certificate](#) page.

- How do I get a COVID certificate?

If you were vaccinated or have recovered in an EU or EFTA country, we recommend you obtain an [EU-DCC](#)-compliant COVID certificate in your home country. If your vaccination or recovery was documented in a different country, you can apply for a Swiss vaccination or recovery certificate [here](#). This may only be valid in Switzerland.

- Coronavirus: Entering Switzerland

On account of the COVID-19 pandemic, certain restrictions are in place for entering Switzerland. Everyone entering Switzerland must present an entry form. You may also have to present a negative test and/or go into quarantine. You will find more information related to travel and quarantine on the [Swiss Federal Office of Public Health \(FOPH\) website](#).

The [Travelcheck](#) allows you to check whether and under what conditions you can enter Switzerland.

Yours sincerely  
Federal Office of Public Health
